TMU Global Discussion Camp 2026 - Sports and Health Management-

TMU Global Discussion Camp (GDC) is a joint education program under Tokyo Metropolitan University(TMU) Strategic Partnerships Program launched in April 2018. The Camp provides a unique opportunity for both TMU and its partner universities' undergraduate students to come together and explore global issues through discussion and collaborative work over the course of 5 days. The Camp aims to strengthen TMU's partnerships with its partner universities and help students develop knowledge that spans major fields of study as well as communication, critical thinking and problem solving skills.
